This is why we are happy to introduce to you this awesome campaign, running from August 1st to October 31st, 2023.

During this period, for every purchase of a turntable from our RP-series, you will be eligible to receive a special gift from our turntable accessories. To qualify, simply purchase a turntable (a maximum of two gifts are allowed per person) at any participating store which can be found below (excluding platforms such as Amazon, eBay, or similar marketplaces & B-stock turntables).

Once your turntable has been purchased, please fill out the form provided below.
