

REGISTER ILOUD MONITORS GET FREE ARC 3, T-RACKS 5, AND MIXBOX!

This summer, take your studio to go

Register a pair of iLoud Micro Monitors or iLoud MTMs before July 31 and get a massive mixing, mastering and monitoring bundle worth \$399.97!

iLoud Micro Monitors introduced the world to studio-grade sound you can bring anywhere, and iLoud MTM took desktop monitoring to a whole new level. They're the ultimate solution for reference audio in any room, anywhere.

This summer, upgrade your monitoring AND your software library - register a pair of iLouds and get a massive library of software to take your mixes to the next level.

Qualifying monitors

iLoud Micro Monitor - the smallest active studio reference monitoring system in the world, iLoud Micro Monitor provides you with ultra-accurate true linear frequency response with no coloration, so you can hear the truth any time and everywhere.

iLoud MTM - designed as the ideal desktop speaker, iLoud MTM offers incredibly clear linear phase sound, deep, extended bass and built-in room calibration with included microphone. Mix for hours with no ear fatigue and trust your mixes will translate everywhere.
