STUDIO POWER-UP
93 REAL TIME FX FOR FREE

Max out your FX library with every Synergy Core interface promo purchase

Get world class professional sound by upgrading to a new Antelope Audio interface.

With every purchase, you also get over 90 real-time emulations of legendary outboard EQs, compressors, mic pres and more*. In addition, you get a full license for Bitwig Studio.

*Auto-Tune Synergy not included

Terms & Conditions

Offer valid only for customers who purchase a Zen Go Synergy Core (USB or TB), Zen Q Synergy Core (USB or TB), Zen Tour Synergy Core, Discrete 4 Pro Synergy Core, Discrete 8 Pro Synergy Core, Orion Studio Synergy Core between **November 1st, 2023 and January 31st, 2024**.

Customers must activate their audio interface before **February 15th, 2024** to receive the offer. All promotional fulfillment is subject to approval by Antelope Audio.

How it works

1. Purchase a participating Synergy Core interface.

2. Upon activation of the interface, the real-time FX and Bitwig Studio will be automatically assigned to your account.

EXCLUSIVE OFFER
valid November 1st till January 31st

What you get with each interface
Unbeatable Sonic Precision

Antelope Audio interfaces offer the best in class conversion. Combined with Antelope Clocking technology & jitter management, it will allow you to bring your creative ideas to the next level by boosting the quality of your sound, revolutionizing your workflow, and drastically expanding your production toolset.
93 Synergy Core Real-Time FX

Start creating with your own fully stocked virtual studio with Synergy Core – with 93 faithfully recreated classic EQs, compressors, mic pres and modulation effects. The unique fusion of DSP and custom FPGA processing captures the true magic of vintage analog units, and brings it in real-time to your tracking and live sessions. AFX2DAW is included.

Bitwig Studio 5

The single solution for realizing any musical idea across every stage of production, Bitwig Studio 5 is out now and available for free with Antelope Audio interfaces. Unleash your creativity with the full library of 100s of sounds, loops, modulators, virtual instruments, as well as the GRID – the modular sound-design system for building your own instruments and FX.
