PLUG-IN COLLECTIVE

Welcome to the Focusrite Plug-in Collective

dB CloudBounce

So far, the Focusrite Plug-in Collective have partnered with top plug-in developers including SoundRadix, Eventide and Positive Grid to provide registered Focusrite customers with great plug-ins, and a new offer will be in their accounts every month.

Free AAS Session Bundle worth $99 until 8 December 2017

The Focusrite Plug-in Collective helps registered Focusrite hardware customers in the quest for their signature sound. This time, we're working with innovative and prestigious plug-in company Applied Acoustics Systems to offer Session Bundle worth $99 for free until 8 December 2017. Customers can access the bundle by logging into their Focusrite accounts.

Session Bundle consists of three soft synths for music-makers: Lounge Lizard Session 4, Strum Session 2 and Ultra Analog Session 2. The instruments provide essential sounds for tracks and are a real treat to play.

Lounge Lizard Session 4

Based on the physical modelling synthesis engine of the award-winning Lounge Lizard EP-4, Lounge Lizard Session 4 is a simple and straightforward instrument reproducing legendary electric pianos. Boasting 16 different piano sounds and a great selection of effects, Lounge Lizard Session 4 delivers outstanding sound quality, action and feel.

Strum Session 2

With 24 different acoustic and electric guitars, a two-channel amplifier, spring reverb, speaker cabinet and effects, Strum Session 2 packs everything needed to create guitar parts for

productions. And with chord recognition, chord voicing, strumming and picking action, and a library of 102 MIDI riffs, playing guitar on a keyboard has never been so easy.

Ultra Analog Session 2

Ultra Analog Session 2 unfolds as a simple and fun synthesiser. At its core lies a hard-sync oscillator and filter duo supplemented by a powerful unison imparting a rich and modern sound. Additionally, key synthesis controls, an arpeggiator and a multi-effect module complete the package for a direct and spontaneous playing experience.
