

**Get the Classic Tubes 3 Expansion Pack for FREE
with any Virtual Microphone System purchase
until March 31st 2017!**

The expansion pack includes 5 amazing new mic models and features the unbelievably accurate FG-49. Any customer who orders their VMS before March 31st will receive the expansion pack for free when it is available (this includes existing VMS owners). All other customers who do not qualify will still receive Classic Tubes 1 and 2. VMC Classic Tubes 3 will be available for sale upon its release

Please contact your local sales rep or sales@stevenslate.com with any additional questions.
