

HOLIDAY OFFER

Get over **\$500** worth of extra instruments and effects with Reason 8!

Buy Reason (full version) between November 26 2015 and December 31 2015 and get over \$500 worth of extra instrument and effect Rack Extension plug-ins for free! That's all you need to start making music, and then some! Reason is the legendary music production software studio. Easy to get started with, yet as deep as you want it to be.

Buy Reason 8 now and get all of this for free:

Parsec \$119 FREE

Spectral Synthesizer

The futuristic sound of additive synthesis for the Reason rack.

PX7 \$99 FREE

FM Synthesizer

A faithful recreation of the DX series vintage keyboards for Reason.

Radical Keys \$99 FREE

Three classic keyboard instruments in a great-sounding package: the Rhodes Mk1, the Wurlitzer and the Pianet-T.

Radical Piano \$99 FREE

Three sampled pianos paired with the technology to make an infinite number of your own.

Pulsar \$49 FREE

Pulsar LGM-1 is a dual channel modulation powerhouse for the Reason rack.

Rotor \$49 FREE

Meticulously modeled on the Leslie 122, Rotor brings the sound of the classic rotary speaker design to Reason.

How this works

Any customer who purchase and register a qualifying Reason product before the offer ends, will get the included Rack Extension instruments automatically added to their Propellerhead account. To download the Rack Extensions, they just go to the account page, locate the Rack Extensions tab and click 'sync all'.

**Offer applies to Full version and Student/Teacher purchased new from an authorized dealer. Upgrade versions not eligible.*
