

Buy a P-255 Digital Piano Get a Yamaha MG06X Mixer

The **P-255 digital piano** and the compact **MG06X mixer** are a perfect pair for any on-the-go musician. Bring the P-255 along to your gigs and experience the authentic piano sound quality. The Pure CF Sound Engine faithfully reproduces the tone of a meticulously sampled, acclaimed Yamaha 9' CFIII concert grand piano, allowing for incredibly dynamic playing. Record, play back and share your performances with the USB recording feature!

The P-255 is only made better by the MG06X – a compact mixer that packs a punch with powerful sound. Use the AUX line input to connect to your P-255 and get right into playing your music. Use the on-board effects to bring everything together, so you can start performing in any situation.

To complete this perfect pair, purchase a P-255 from an authorized Yamaha retailer. Then register it at 4wrd.it/p255promo to redeem your free MG06X mixer.
